THE GALWAY LECTURE: PROFESSIONAL CITIZENSHIP...WHY IT IS ESSENTIAL FOR YOUR BEST FUTURE

Learning Objectives:
1. Discuss Professional Citizenship in terms of definition and behavior
2. Create a personal plan for elevation of professional citizenship levels for themselves and their partners
3. Convey to other physicians why they too have an obligation to do all that is necessary to protect our patients and our specialty in today’s hostile environment
4. Learn what is required in addition to good research, education and clinical care in order to create the best future for medicine

0830-1045  RESIDENT BREAKFAST MEETING
