P3 – Patients, Physicians, and Policy
An Innovative, Collaborative, and Respectful Work
Environment Requires a Strong Connection Between
Appropriate Hospital Policies, Physician Engagement, and
High Quality Patient Care.

After the session, the learner will be able to:
• List criteria for effective policy
• Analyze a policy document
• Appreciate the number of hospitals, policies, and
  physicians with privileges
• Recognize the patient care impact of the relationship
  between hospitals, policies, and physicians
