When I was growing up, my mother (Isobel Bird) spoke very fondly of Dr. Mahood in the OR.

Many years ago, Jamie provided encouragement and support to this young 'newbie' on the KYC board.

It had a long lasting effect.

Thanks, Jamie.

He talked me into the Anaesthesia field and advised and directed my post graduate training so I could be a partner in the group of anaesthetists at K.G.H from 1960 until 2005
