

## **Vandewater Endowed Studentship-Application Process**

Faculty members may apply to the Department of Anesthesiology & Perioperative Medicine Vandewater Endowed Studentship for a summer student to work on an established project.

Studentship(s) will be awarded annually with the amount of each studentship ranging from \$2,000-\$5,000 depending upon availability of Vandewater funds and availability of matching funds from the faculty member.

To apply: The faculty member, who will be responsible for supervising the student and for guiding the related project through to publication, will submit a 2-3 page summary to the Department of Anesthesiology & Perioperative Medicine Research Committee Chair, Dr. Ian Gilron c/o Dana Thompson-Green, [dana.thompson-green@kingstonhsc.ca](mailto:dana.thompson-green@kingstonhsc.ca).

Each application will be reviewed and approved/denied by at least 2 members of the Department as selected by the Research Committee. If a specific Department member has a vested interest in taking a particular student and/or project, they may not participate in the review process.

The abstract will include:

- Background/introduction
- Purpose/hypothesis
- Methods/outcomes/analyses
- Potential significance/impact
- Future directions.

The one page description will also include:

- Student name, brief background (year, experience, interests), time/date availability/commitment
- Precise role(s) of the student
- Who will oversee and/or train the student
- How will the student be used effectively/how will this experience be beneficial for student

Funding information:

- Amount requested
- Availability of matching funds
